

KING, QUEEN PLAN VISIT TO BELGIUM

Their Majesties Accept Invitation For Visit In October

LONDON, July 3.—King George and Queen Elizabeth recently returned from Canada and the United States, announced today that they had accepted an invitation to visit Belgium from Oct. 24 to Oct. 31.

A formal public announcement said the King and Queen had received the invitation with "much satisfaction" and had accepted with "great pleasure."

The visit will be in return for one paid by Leopold, King of the Belgians, to London in November, 1937.

Formal invitation to visit the Belgian capital was tendered by King Leopold some time ago. According to earlier reports, King George and Queen Elizabeth will arrive in Brussels Oct. 24 aboard a British warship, and inspect the large international exhibition before returning to England.

King Leopold has visited London frequently since the death of his father in February, 1934. Some of the private trips were said to have been for political affairs arising out of Belgium's foreign policy. Other visits were said to have been for the purpose of visiting King George in London.

Prior to the state visit, Leopold came to the British capital Dec. 2, 1938, and was awarded the title of a Knight of the Order of the Garter.

PLAYED GOLF

The King of the Belgians returned to London four weeks later on a purely private trip and made his second journey to Britain's capital May 28, 1938. On private trips the King played golf in English country houses.

March 28, 1937, he came to London to confer with British cabinet ministers on Belgium's foreign policy, and Dec. 4 of the same year he arrived in London in connection with his military, Queen Elizabeth, Belgium.

Wapiti Bomber Becomes Wreck

The above picture shows the crash of the Wapiti plane which stalled when flying over the military camp on the Barrow reserve, near Calgary, on Tuesday. The plane came down through the lines of the 48th Battalion, the Edmonton, and the Calgary, and landed in a field. The plane was badly damaged, and the pilot, James Macpherson, 31, of 10123 12th street, south, members of the Edmonton regiment, were manning an anti-aircraft machine gun in the camp.

Trustee Gleave Scores Tax- payers' Body For Pro- testing Building

The Taxpayers' Protective Association of Edmonton was branded as selfish and not truly representative of the majority of the city by school trustee George Gleave at a meeting of the Edmonton Public School Board held in the Civic Block Tuesday evening. A. E. Oilewell presided.

"This association is not thinking of the welfare of the youth of Edmonton but merely how much money it can save in the way of taxes," declared Gleave. "I am not at all sure that before any building program is undertaken that a conference be held with representatives of the citizens."

Personally I am more interested in seeing that the students of Edmonton are not forced to get their education in variable conditions and that education facilities are adequate for them, than in a slight increase in taxes," declared Trustee Gleave. "Certainly extravagant expenditures should be made, but the need of additional facilities for the students in the Civic Block has long been felt," he added.

"The future of Edmonton depends on how we educate the children who are growing up right now," he declared. "The children of today are the men and women of tomorrow who will guide the destinies of this city and very likely play a major role in shaping the provincial and federal policies of the country upon which will depend the development of the Dominion. We must see that our children are properly equipped for their task."

Trustee Gleave "pulled no punches" as he ridiculed the delegation with a slashing attack, challenging them to prove that they were truly representative. "In my opinion you represent only a small and selfish minority," he declared.

A resolution that the school be built on Block 112 in the Glenside district and that an eight-classroom public school be erected was sent back to the trustees for further consideration. Trustee Gleave felt that further study should be given the location of the site for the school together with consideration of whether need was greater at the present time for a public school or a high school in the district.

Trustees agreed that the Public Construction company should be requested to proceed with the necessary alterations on the roof of the new addition at Calder school for complete drainage of rain water.

NORMAL PRACTICE
Resolution submitted by a special committee selected to investigate need for additional facilities for normal practice teaching was recommended that the Garnau elementary and intermediate school be used as a practice school for the A. E. M. might continue as principal of the school, was passed by the board.

The board agreed to the appointment of Mr. L. H. Harn as woman assistant at the Westwood school, effective July 12, and of Mrs. Agnes Forbes as part-time caretaker at the Walderdale school, effective August 1.

Trustee A. E. Oilewell was appointed acting chairman of the board during the absence of Armour Farver.

The trustees decided to terminate the contract of G. G. Taylor, principal of Westwood High school, effective 30 days from July 7. Mr. Taylor has been the caretaker since August 1.

Resignations of Miss Loris A. Gray, principal of the school, and Miss Betsy A. Ness, member of the staff at Westwood High school, and Miss Loris A. Gray, principal of the school, were accepted.

PROVINCIAL BRIEFS

T. W. M'DONOUGH LEAVES JASPER

Thomas W. McDonough, formerly general passenger agent at Jasper Park, and the writer of the "bag hat" which is as much a part of Jasper Park as the station and the town, has just left for Edmonton to take over his new duties as district passenger agent for Alberta.

Mr. McDonough has been connected with the Jasper Park Lodge ever since its beginning. It was just a collection of tents back in 1920. In 1923 the eight cabins, which formed the first group of the present famous resort, were constructed. Mr. McDonough was aboard the first passenger train to arrive in Jasper in 1925, then called "Fitzhugh," so he has been identified with Jasper Park and Jasper Park Lodge from the first.

His bluff and hearty greeting has made thousands feel at home in Jasper Park, and the fact that many of them come back again, year after year, is due to the interest taken in their visit by Mr. McDonough.

P. N. McKenzie, who will take over the duties in Jasper as general passenger agent, is well suited for the post. He is a true westerner, and has grown up with the Canadian National line. He started his railway career in Saskatoon, Sask., in 1917 and has worked in the pas-

enger department in Regina, Portland Ore., Vancouver and Edmonton. Mr. McKenzie will carry on the duties of the "bag hat" and the personalized service for which the Canadian National is famous.

THOROLD

Thrills, spills and excitement marked the Community Association stampede and picnic held at Thorold on Dominion Day. Irvine Pierce of Fort Saskatchewan won aggregate honors for cowboys, while 15-year-old L. Riland of Hilda won second with Jack Thorsby of Hilda third.

The Katelone and Bena children, Junior Girls Club, Chas and Flavia Stimpke were in charge of W. Horne, and the parade was under the direction of Constable I. Nielsen of the R.C.M.P.

Baseball and softball games, foot races and midway attractions were features of the day. A packed dance hall rounded out a very successful day.

WAINWRIGHT

Well known in Wainwright and district, William Duff, 53, died recently following a heart seizure. He is survived by one daughter, an uncle and two sisters.

Arthur Joseph, second son of Mr. and Mrs. Peter Rutherford, died in Wainwright recently. He was 18 years of age. Besides his parents, he is survived by five sisters and three brothers.

FOUR ACCIDENTS HAMPER PICNIC

Three rural schools of the Rimbey district, Chapin, Centre View and Outlook, under supervision of their respective teachers, Miss M. Rice, Miss Vivian Farrell and Mrs. Ruth Sweetman, held a joint picnic at Jones Point, on Gill Lake, Thursday, to celebrate the commencement of holidays. Swimming, races and softball were the items on the program, second in importance only to the beautiful "spread" of picnic luncheon.

Although the day as a whole was highly successful, there were a few minor accidents which hampered the fun for some of the picnickers. Ronald Gurnel, catching for the Chapin softball team, received a ball in the eye instead of his mitt. He was knocked down and although the injury was not serious he is still wearing a "shiner" as the result.

A little two-year-old girl, daughter of Mr. and Mrs. Robert Stoner, sustained a painful injury to her fingers when a car door was accidentally shut on her hand.

During the ball game between the married and single men, George Alton, batting for the Centre View team, hit his own head on the bat fly out of his hands into the crowd of spectators, where it injured the hand of 14-year-old Calvin Stoner, while Otto Simons, also of the Centre View team, was struck by a ruptured blood vessel of his foot.

ERSKINE

The teaching staff for Erskine schools has been hired for another year, making the eighth year for the principal, Mr. A. R. Patrick, who is paid for the University of Alberta to attend summer classes. The intermediate teacher, Mr. G. Brown, has also been hired, where he is making grade nine work. Miss Midge Williams, primary teacher is planning an extended tour which will include both Windsor, E. and other teachers of the district.

Members of the Bruce Women's Institute are making preparations for the entertainment of delegates attending the W. J. Wainwright Constitution Conference, which this year, takes place in Wainwright. The Conference is scheduled to commence at 10 a.m. on July 5 and it is expected that a large number of visitors from various branches will be present.

It stands like a contradiction of terms to comment on crop conditions here by saying that crops are recovering from the recent rains. It is a fact that the rain, which has been a source of delight to the grower.

Funeral services for Mrs. Elizabeth Schmidt, 76, resident of the Bruderheim district for the past 45 years, were held here recently. She was born in Rejuda, Galicia, in 1863. Mrs. Schmidt presented a bell to the Lutheran church here. Her husband predeceased her five years ago.

Resident of the district since 1894, Adolf Schultz died following a heart seizure last week. Funeral services were held at Bruderheim on Sunday. He was born in Poland. Surviving are his wife, five sons and four daughters.

Red Again Favored Hue In Big Lipstick Parade

By ALICIA HART

Cheer reds who again. After masses of wine reds and a recent flurry of purplish and on child-roses, the most important of the style-setting complexion hues now are featuring lipsticks and matching rouge in true red-red shades.

Whether you are sun-kissed or not, the cheery reds that lip-stick, which matching the shade of lips become after you bite them gently for a second or two, will be flattering. In which case, you'll pick harmonizing rouge, which matches the shade your cheeks become after intense exercise or after you stop them gently five or six times.

However, in spite of the importance of clear, red, if you are wearing a dress of chaste or tangerine, or some other rather difficult color, try to find makeup which makes cheeks and lips look natural, and do not let the lines through across your skin by the unusual dark. Off shade, do not let it actually change your skin tone, but of course, when they appear to.

FACE POWDER IS ROSEY PINK. As lipstick and rouge come in clear, scarlet, rose, or face shades which match the natural skin tone, a nice idea is to go to a salon which mixes face powder especially for you—and right before your eyes.

The expert simply looks at you closely in daylight and under artificial light, then starts mixing, adding a little of this shade and a little of that, until he has a powder which truly matches your particular complexion.

Incidentally, don't expect him to have red and yellow powder handy for blending and mixing. If your skin seems pink to be more yellow, the chances are that you have a bit of pink in the mixture. If it's more yellow than red, it's green that he'll add.

Doggies Cause Owners Trouble In Court

Eight persons were fined for the violation of two laws by Magistrate A. I. Mullan when they pleaded guilty to taking their dogs to run at his police court Tuesday afternoon. They were fined \$2 for not leashing their dogs.

And Joseph Mullan, 30, Beverly, was fined \$5 for selling bills of sale for 100 pounds he had bought from two youths on the Graveney road. He was charged with retaining the bills of sale with intent to sell.
